WELCOME TO THE CARBONDALE WILD WEST RODEO

WELCOME BACK TO THE 2024 CARBONDALE WILD WEST RODEO SERIES! The Rodeo is now in its 19th season and promises to be as fun and exciting as ever! Lots of great rodeo action, good food and good friends are at the rodeo every Thursday night all summer. Last season we had some of our biggest crowds ever and a few rainy, muddy nights as well, just because a rodeo in the mud is so much fun!

Once again, at the conclusion of the 2024 season, we will be offering a \$2,000 scholarship to a deserving contestant or volunteer for use in a college or trade school. Watch for application details on the CWWRA web site. We will also be presenting a new saddle at the end of the season to the top money winner in two events or more (All-Around Winner).

Ticket price will again be \$15 per person (10 yrs and under free). We again will be charging an on-site parking fee of \$10 per vehicle. We hope this will help encourage folks to RIDE THE FREE SHUTTLE BUSES from the Orchard Church Parking Lot on Snowmass Dr. OR Town Hall, 4th and Colorado Ave. There will be NO PARKING on County Road 100 this year and LIMITED PARKING in the neighborhood nearby (by order of Sheriff Dept) They will be actively enforcing those changes!. The parking around the arena will remain at \$50 and will include on-line signups starting at noon on Wednesdays (rather than a waiting line), same as last year. Lastly, "bring your own alcohol" is no longer allowed and alcohol will be sold on site (by order of Sheriff Dept and Town Police Dept), in order to be better controlled. We realize change can be difficult, but we appreciate everyone's cooperation and we are sure the show will be well worth it!

As always, there are a lot of people to thank! First a big thank you to our sponsors. Without the sponsorship of numerous businesses and individuals, we would not have the financial ability to do this. New sponsors are always welcome, so if you are looking for a great way to advertise and support the rodeo at the same time, please talk to us. We urge all the spectators and contestants alike, to support these sponsors who support the CWWRA! We would also like to thank the contestants young and old, who show up week after week and compete, putting on a great show for everyone to enjoy. Next, we would like to thank you the spectators who support the rodeo with your presence, week after week, rain or shine. We love your enthusiasm for the sport of rodeo and we hope that you enjoy the rodeo series we all have worked hard to produce. Last and certainly not least, we would like to thank the volunteers who show up every week and help make this rodeo happen. Without these volunteers (in the red shirts), we could not produce this rodeo series week after week. So if you see one of these dedicated people, please tell them "thank you". They will appreciate that you noticed!

The Carbondale Wild West Rodeo Association (CWWRA) is a non-profit 501(c) (3) corporation dedicated to keeping the Western Heritage alive in Carbondale. It is run by a volunteer Board of Directors who spend countless hours planning and producing the Rodeo Series with no financial compensation. The Board sincerely hopes you enjoy the Carbondale Wild West Rodeo! If you have questions, please feel free to ask one of the volunteers or stop by the Secretary's shed and someone will assist you.

Thank you for your continued support and we look forward to a great 2024 Rodeo Season!

Sincerely,

Mike Kennedy, President

Thank you for coming out to attend the Carbondale Wild West Rodeo tonight and supporting our efforts to stage a "Small Town Rodeo" that offers "Big Time Fun". So that you have a safe and enjoyable evening, the Town of Carbondale and the volunteers of the Carbondale Wild West Rodeo Association would like you to observe the following:

1. For your safety, NO PARKING ALONG COUNTY ROAD 100. Please park in close proximity to the car/truck next to you. Listen to parking volunteers for directions on where to park. Overflow parking, if you cannot find a space, is out the back gate on Willow Lane. Please do not block driveways on Willow Lane and enter through the back gate from Willow Lane.
2. Keep the lane around the arena clear of vehicles for ingress and egress and flow of emergency vehicles.
3. Please leave your dogs at home.
4. Please keep off and don't stand or sit on the Arena Perimeter Fence. It blocks the view of spectators and could prove hazardous when livestock crowd the fence.
5. Parents, it's recommended that you supervise and keep your small children with you at all times to prevent possible accidents with horse riders or vehicles on the perimeter lane around the arena. Keep kids away and out of the back practice warm up area where the horses are.
6. Food coolers, BBQ grills, and tailgate picnics are allowed. No outside alcohol can be brought in. A food and beverage caterer is located under the white tent on the east side of the main grandstand.
7. Please pick up your trash and dispose of it properly or take it with you. Please recycle.
8. Port-a-potties are located on the west side of the main grandstand rodeo registration area and next to the white & green barn on the northeast side of the Rodeo Grounds.
9. All rodeo contestants, including kids participating in Mutton Bustin' and/or the Calf Scramble must sign up and register for the event and sign a waiver at the registration booth west of the main grandstand. Sign up starts at 5:00 p.m.
10. Please use caution and drive safely when exiting as there are lots of pedestrians and heavy traffic.
11. The Wild West Rodeo Series is held every Thursday night, rain or shine, with the rodeo grand entry beginning at 7:30 p.m., through August 22 (Wild West Rodeo Finals).
12. If interested in assisting us as a volunteer committee member of the Carbondale Wild West Rodeo Association, please contact our Volunteer Coordinator, Jashine Wise at 970-618-4325.
13. Free shuttle buses from Carbondale at the Orchard parking lot with loading and unloading at the back gate.

Carbondale Wild West Rodeo is pleased to have the following folks working with us to bring you a fantastic rodeo for our 12 week summer run, rain or shine. All have been involved with our rodeo for many years.

PICNIC PAVILION

About nine years ago we were thinking it would be really nice to have a public picnic place that would serve as a remembrance for Roz's parents Bob and Ditty Perry who ranched here for many years. They loved this valley and the Carbondale community and gave freely of their time and energy to help in numerous ways. Lots of old timers worked hard to make this community the place it is today and we wanted to do something that would honor all those hardy souls who have gone on but are not forgotten.

We thank all those who have made this possible with special thanks to Sherry Rubin for her persistence in keeping this idea moving forward and to Travis Jadwin and his Silverado crew for building the pavilion. Our greatest hope is that it will get lots of use both summer and winter and will serve to remind us all of family, friends, and our western traditions and heritage.

Roz passed away July 4, 2020. Her warmth, kindness and generosity will be greatly missed. Roz loved this community and kids. She would be pleased to see folks enjoying the pavillion and cheering on the rodeo contestants.

Cheers to the "Wild West" crew, the board and many volunteers who make the rodeo a fun event.

The Carbondale Wild West Rodeo Association (CWWRA) is a non-profit corporation which was formed to promote and produce The Carbondale Wild West Rodeo Series. The Board of Directors and key volunteers that assist with the production of the weekly rodeo series are not paid. All net proceeds from the rodeo series are donated to non-profits in the Roaring Fork Valley.

We sincerely hope you enjoy the rodeo!

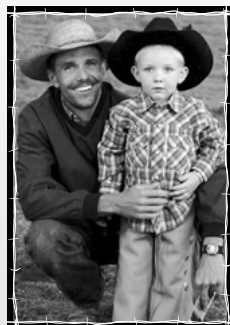

The CWWRA would like to thank Tom Harrington for his many years of service on the Carbondale Rodeo Board of Directors. Tom has been elected President of the Colorado Cattlemen's Association Board of Directors from June 2024 through June 2025. It is a big job that involves a lot of meetings and travel around the state during his year of service and we would like to congratulate Tom on his election to this position! The CWWRA would also like to thank Ginny Harrington for her many years of volunteering to take care of the CWWRA web site. That too, is a big job and we will miss her help! **Thank you both and good luck in the coming year!**

AWARDS AND SCHOLARSHIPS

Once again this year, we plan to offer a **\$2000 scholarship** to deserving rodeo contestants or volunteers. Application details are on the web site as to how you can nominate a deserving participant for these scholarships or check with Melanie at the Secretary's Shed.

We also plan to award a belt buckle again this year for the **"Trent Goscha Sportsmanship Award"** that will be presented to a deserving rodeo and/or Gymkhana participant. Details of how you can nominate someone for this award are on the web site or check with Melanie at the Secretary's Shed.

Since Trent's unexpected death in November 2016 at the age of 13, Trent's parents, Mike and Jayme, and sister, Tess, have dedicated themselves to the things Trent loved and valued in his short, but full, life. The thing Trent loved most was being a cowboy and learning from the wonderful cowboy and cowgirl heroes he got to know at the CWWR. (Trent pictured here at age 4 in his Mutton Bustin' days at Carbondale Wild West Rodeo.)

The Spirit of Court Will Award will reward a buckle to a primarily rodeo contestant, but volunteers are also eligible. Recipient should give it their best in all they do, while recognizing the needs of others; wanting everyone to succeed and do the best they are capable of doing. They should be helpful to others with kind gestures such as sharing a horse, teaching younger participants, etc... This award is presented by the Will Family in memory of Court Will.

OPEN BARREL RACING

Open barrel racing is for those ages 13 years and up. The goal of barrel racing is to do a cloverleaf pattern around three barrels in the fastest time. The horses pivot on their haunches at a very high speed and execute each turn with only a few inches to spare. Normally, Quarter Horses are used in barrel racing. If a barrel is knocked over, there is a five-second penalty.

TEAM ROPING

Team roping demands close cooperation between two cowboys (“header” and “heeler”) and their horses. The steer is given a head start as the header waits behind a rope barrier. If the header breaks the barrier, there is a 10-second penalty against the team. The heeler follows after the header has begun his pursuit. The header is the first one to rope and must catch the steer either around the horns, around the neck, or around one horn and the head.

As soon as the header secures the loop, he “dallies” the rope around the saddle horn and rides to the left, turning the steer away from a right-handed heeler.

As the header rides away, the heeler tries to rope the steer’s hind feet. There is a five-second penalty if the heeler catches only one foot.

The two riders back their agile horses to take the slack out of their ropes. The clock stops when all the slack has been taken up and the ropers are facing one another.

BULL RIDING

In what the cowboy hopes will be an eight-second ride, he holds a flat-braided rope in his glove hand. As he settles onto his bull's back in the chute, he pulls the tail of the rope through a loop, then wraps the rope around his riding hand, at times weaving the rope through his fingers to secure his grip.

Each bull has a different style of bucking. Some bulls spin, while others continuously circle in one area. Some bulls add a jump or a kick to their spin and others move sideways in mid-air.

As the cowboy waves his free hand to counter the bull's gyration and maintain his balance, he must avoid touching the bull with the free hand or he is disqualified. The cowboy's control and the bull's bucking efforts each account for half of the score.

LADIES BREAKAWAY ROPING

Ladies Breakaway Roping has been a favorite since added in 2014. Ladies Breakaway roping is for ladies 17 and up. Limited to 15 ropers per rodeo. An electronic eye barrier is used to ensure calves are allowed a head start. The roper must throw the rope in a loop around the calf's neck. Once the rope is around the calf's neck, the roper signals the horse to stop suddenly. The rope is tied to the saddle horn with a string. When the calf reaches the end of the rope, the rope is pulled tight and the string breaks. The breaking of the string marks the end of the run. The fastest run wins. A 25 second time limit applies.

COWHIDE RACES

Cowhide races are for those ages 15 years and up. A fun and fast sport, cowhide racing made its debut as an official event in 2011. A cowhide race is a team race in which a rider on horseback pulls a partner who rides on a cowhide attached to the horse by rope. It is a timed event and the cowhide rider cannot fall off while being pulled the length of the arena. Buckles will be awarded to the seasons champion team, horseback rider and hide rider. Cowhide Races and Ranch Bronc Riding (see page 23) are held on alternating weeks.

RANCH BRONC RIDING

It is a 'ride as ride can' for 8 seconds. A standard, working ranch saddle is used and the horse is saddled as it would be for everyday ranch work. The broncs (horses) wear a bronc halter with one rein for the rider to hold onto. This is called a "bronc rein" or a "hack rein." Ranch Bronc Riders are allowed to hold onto the saddle horn, cantle, or a night latch (a rope or strap tied through the gullet of the saddle) with their free hand (the one not holding the hack rein). Riders are not disqualified by a loss of a stirrup and there is no "mark out" rule – the Ranch Bronc Rider does not have to have the rowels of his/her spurs touching the break of the broncs' shoulders on the first jump out of the chute until the broncs' feet hit the ground. This year Ranch Bronc Riding will be featured 6 times including the finals with a buckle going to the season champion.

JUNIOR BREAKAWAY ROPING

Junior Breakaway Roping is open to girls ages 8-16 and boys ages 8-14. Limited to 10 contestants. Watch young cowboys and cowgirls perfecting their roping skills. Junior Breakaway Roping is a great training ground to move up to Dally Ribbon Roping, Ladies Breakaway and Team Roping. Features one mounted cowgirl or cowboy in pursuit of a calf. An electronic eye barrier is used to ensure calves are allowed a head start. The roper must throw the rope in a loop around the calf's neck. Once the rope is around the calf's neck, the roper signals the horse to stop suddenly. The rope is tied to the saddle horn with a string. Youth rodeo contestants have been asking for this event and the Carbondale Wild West Rodeo committee heard. New in 2014 is Junior Bull Riding. Contestants must be 13 to 17 years old. Limited to 6 contestants plus 3 alternates. Junior Bull Riding is the training ground for youth with the aspirations to compete in the most dangerous event in the sport of rodeo and join the ranks of the Bull Riders. Cheer on these brave young rodeo contestants where an 8 second ride can seem like an eternity. Junior Bull Rider contestants must provide their own helmets and vests. Helmets and vests are mandatory.

CALF SCRAMBLE

The Calf Scramble is an event for **all kids 3-10 years old**. All kids are lined up in the arena and the calves are turned loose. At the signal, the kids chase the calves with the ribbons tied to their tails. The first kid back to the start line with a ribbon wins the event!! No parents will be allowed to enter the arena. Sign-up will start at 5:30 PM and end at 8:00 PM at the registration booth. The parents of children that are signing up must be present when registering. All parents must sign the Entry Application and Release Form along with the Consent of Parent or Legal Guardian. Only children that have been given a wristband at the registration booth will be allowed to enter the arena!

Thank You to the Carbondale Wild West Rodeo

VOLUNTEERS

Without all these individuals we would not be able to continue to produce the Carbondale Wild West Rodeo. Thank you to the folks in the arena, the crowd's nest, the secretary shed, the parking lots, behind the chutes, the dedicated stock contractors, and those even further behind the scenes working on the website, Facebook, hanging up posters, and spreading the word. We wouldn't have the fantastic rodeo we do year after year without all of you.

We thank all of you for your time and generosity.

If you are interested in volunteering please contact Jashine Wise at 970-618-4325. We always welcome new volunteers.
